

# NOVA BIOCLEAR

**SAFE, EFFECTIVE GENERAL DISINFECTANT**

**100% NATURAL, ALCOHOL-FREE, TRUSTED FOR HEALTH AND HYGIENE**

NOVA BIOCLEAR is an advanced, multi-purpose disinfectant that is both eco-friendly and effective. Its non-toxic formula is safe for use around humans, animals, and plants, making it ideal for personal, commercial, and industrial use.

NOVA BIOCLEAR for general surfaces, food preparation areas, medical equipment, and even personal hygiene. Perfect for homes, hotels, offices, public spaces, and healthcare facilities.

## Benefits of NOVA AGRO

- Safe for all ages
